Re: U. S. Application No. 09/905,716  
Filing Date: May 9, 2002  
Applicant: Fredric Joel Harris  
Title of Invention: Non-Recursive Resampling Digital  
Filter Structure For Demodulating 3G Cellular Signals

Sir:

This is to further correct the information contained in my letter of January 10, 2003 attempting to deal with the need to correct an original filing date. In this connection, Provisional Application No. 60/289,878 was filed May 9, 2001. This case was converted to Utility Application No. 09/905,716 on May 9, 2002 and should have maintained the filing date of May 9, 2002 based upon Provisional Application No. 60/289,878. The FILING RECEIPT mailed 09/05/02 set forth May 9, 2002, rather than May 9, 2001 and a copy thereof is enclosed.

As mentioned previously, Applicant's Attorney received an UPDATED FILING RECEIPT dated 11/20/2002 setting forth a Filing Date of 10/31/2002, which purported to replace the aforementioned Filing Receipt dated 05/09/2002, that issued as a conversion of this case from a Provisional Application. The 10/31/2002 date is the day when "Missing Parts" were filed in response to the NOTICE dated September 5, 2002.

A CORRECTED COPY of the UPDATED FILING RECEIPT is submitted herewith with changes noted thereon; namely, a newly corrected filing date of 05/09/2001.

Please issue an UPDATED FILING RECEIPT setting forth Application Number 09/905,716 and a filing date of 05/09/2001.

Serial No. 09/905,716

Filed: May 9, 2001

Applicant's Attorney appreciates the Office's consideration and indulgence in this matter.

I trust the above explanation will suffice to place this case in proper order for an examination on the merits. If there is need for further information, I shall be happy to oblige.

Very truly yours,

A handwritten signature in cursive script that reads "Robert A. Brown". The signature is written in dark ink and is positioned below the typed name.
